Petron Corporation (“**Petron**”, the “**Company**” or the “**Issuer**”), a corporation duly organized and existing under Philippine law, prepared the Prospectus dated May 25, 2023 (the “**Prospectus**”) relating to the shelf registration and the offer and sale, in tranches, in the Philippines within the Shelf Period (as defined below) of up to 50,000,000 cumulative, deferrable, non-voting, non-participating, non-convertible, redeemable, reissuable peso-denominated Perpetual Preferred Shares with a par value of ₱1.00 per share (the “**Series 4 Preferred Shares**”).

The Series 4 Preferred Shares shall be taken from the shelf in tranches within a period of three (3) years from the effective date of the Registration Statement, subject to applicable regulations (the “**Shelf Period**”). The Series 4 Preferred Shares shall be issued out of the Company’s treasury shares.²

This Offer Supplement dated May 25, 2023 (the “**Offer Supplement**” and as the context may require, the term includes the Prospectus) relates to the first tranche of the Series 4 Preferred Shares (collectively, the “**Offer Shares**”) and the public offer for sale, distribution and issuance by the Company of the Offer Shares (the “**Offer**”). The Offer Shares will be issued at a price of ₱1,000.00 per Preferred Share (the “**Offer Price**”) and listed and traded through The Philippine Stock Exchange, Inc. (“**PSE**”).

The Company has applied with the Securities and Exchange Commission (“**SEC**”) for the issuance of a Permit to Sell the Offer Shares, and expects to receive such permit before commencing with the Offer. The Company has also applied for the listing of the Offer Shares in the PSE. However, there is no assurance that such a listing will actually be achieved either before or after the issue date of the Offer Shares or whether such a listing will materially affect the liquidity of the Offer Shares on the secondary market. Such listing will be subject to the Company’s execution of a listing agreement with PSE that may require the Company to make certain disclosures, undertakings and payments on an ongoing basis.

The initial offer and sale of the Series 4 Preferred Shares will be by way of an offer of 12,500,000 Series 4 Preferred Shares. In the event of an oversubscription, the Joint Lead Underwriters and Joint Bookrunners, in consultation with the Company, reserve the right, but do not have the obligation, to increase the Offer Size up to an additional 10,000,000 Series 4 Preferred Shares, subject to the registration requirements of the SEC (the “**Oversubscription Option**”). The Series 4 Preferred Shares are to be issued in three (3) subseries: Series 4A Preferred Shares, Series 4B Preferred Shares, and Series 4C Preferred Shares at the Offer Price. As of December 31, 2022, the Company has issued 20,000,000 preferred shares consisting of (a) 13,403,000 outstanding Preferred Series 3A (the “**Series 3A Preferred Shares**”) and (b) 6,597,000 outstanding Preferred Series 3B (the “**Series 3B Preferred Shares**”, and together with Series 3A Preferred Shares, the “**Outstanding Preferred Shares**”), and has 90,000,000 treasury preferred shares.

The Series 4 Preferred Shares are being offered for sale solely in the Philippines through Bank of Commerce (“**BankCom**”), China Bank Capital Corporation (“**China Bank Capital**”), Philippine Commercial Capital, Inc. (“**PCCI Capital**”), PNB Capital and Investment Corporation (“**PNB Capital**”), and SB Capital Investment Corporation (“**SB Capital**” and together with BankCom, China Bank Capital, PCCI Capital, and PNB Capital, the “**Joint Lead Underwriters and Joint Bookrunners**”), and selling agents named herein. The Company estimates that the net proceeds from the Offer shall amount to approximately ₱12,390,962,138.00 after fees, commissions and expenses. Assuming the oversubscription option is fully exercised, the net proceeds of the Offer shall amount to approximately ₱22,343,493,717.00 after fees, commissions, and expenses.

In the event that the Oversubscription Option is exercised, the Joint Lead Underwriters and Joint Bookrunners, in consultation with the Issuer, have the discretion to allocate the Oversubscription Option of up to 10,000,000 Series 4 Preferred Shares to the Series 4A Preferred Shares, Series 4B Preferred

² The treasury shares of the Company are made up only of previously redeemed preferred shares.

Shares, and the Series 4C Preferred Shares, or to just one (1) or two (2) subseries, at the end of the Offer Period.

The Series 4 Preferred Shares will be listed on the Main Board of the PSE on [July 7, 2023] (“**Listing Date**”) under the trading symbol “**PRF4A**” for the Series 4A Preferred Shares, “**PRF4B**” for the Series 4B Preferred Shares, and “**PRF4C**” for the Series 4C Preferred Shares.

Following the Offer, the Company will have (a) 9,375,104,497 common shares and (b) 32,500,000 preferred shares issued and outstanding, and (c) 77,500,000 treasury preferred shares, if the Oversubscription Option is not exercised. On the other hand, if the Oversubscription Option is exercised in full, the Company will have (a) 9,375,104,497 common shares and (b) 42,500,000 preferred shares issued and outstanding, and (c) 67,500,000 treasury preferred shares.

The holders of the Series 4 Preferred Shares do not have identical rights and privileges with holders of the existing common shares of the Company and are *pari passu* with the existing preferred shares of the Company. Any and all preferred shares of the Company shall have preference over common shares in dividend distribution and in case of liquidation or dissolution. For further discussion on the rights and privileges of the Series 4 Preferred Shares, please refer to the section on “*Description of the Preferred Shares*” of this Offer Supplement.

The declaration and payment of cash dividends on the Series 4 Preferred Shares on each Dividend Payment Date (as defined below) will be subject to the sole and absolute discretion of the Issuer’s Board of Directors (the “**Board**”) to the extent permitted by law, and subject to the covenants (financial or otherwise) in the agreements to which the Company is a party. The declaration and payment of dividends (except stock dividends) do not require any further approval from the shareholders. Some of the Company’s existing loan agreements contain covenants that restrict the declaration or payment of dividends under certain circumstances, such as the occurrence of an event of default under such loan agreements or if such payment would cause an event of default to occur, or if certain financial ratios are not met or payment would cause them not to be met. See “*Description of the Preferred Shares*” of this Offer Supplement.

As and if declared by the Board, cash dividends shall be at a fixed rate of [●] per annum for the Series 4A Preferred Shares, [●] per annum for the Series 4B Preferred Shares, and [●] per annum for the Series 4C Preferred Shares in all cases calculated in respect of each share by reference to the Offer Price thereof for each Dividend Period (as defined below) (each, the “**Initial Dividend Rate**” for the relevant subseries). Subject to the limitations described in this Offer Supplement, cash dividends on the Series 4 Preferred Shares will be payable quarterly in arrears starting [October 7, 2023], and every [January 7], [April 7], [July 7] and [October 7] of each year (each a “**Dividend Payment Date**”) being the last day of each three (3)-month period (a “**Dividend Period**”) following the relevant Listing Date.

Unless the Series 4 Preferred Shares are redeemed by the Issuer on, in respect of the Series 4A Preferred Shares, the 4th anniversary of the Listing Date (the “**Series 4A Step-Up Date**”); in respect of Series 4B Preferred Shares, the 5th anniversary of the Listing Date (the “**Series 4B Step-Up Date**”); and in respect of Series 4C Preferred Shares, the 7th anniversary of the Listing Date (the “**Series 4C Step-Up Date**”), or on the next Business Day in case the relevant Step-Up Date falls on a non-Business Day, the dividends on each subseries will be adjusted as follows:

- (a) For the Series 4A Preferred Shares, the higher of the (a) applicable Initial Dividend Rate; or (b) the simple average of the closing per annum rate of the 5-year BVAL (or if the 5-year BVAL is not available or cannot be determined, any such successor rate as determined by the Bankers Association of the Philippines (“**BAP**”) or the *Bangko Sentral ng Pilipinas* (“**BSP**”)), as published on the website of the Philippine Dealing System Group or, if unavailable, the Philippine Dealing & Exchange Corporation (“**PDEX**”) page of Bloomberg (or such successor website or page of the publication agent or electronic service provider) for the three (3) consecutive Business Days preceding and inclusive of the Series 4A Step-Up Date, plus 3.25% (the “**PRF4A Step-Up Dividend Rate**”);
- (b) For the Series 4B Preferred Shares, the higher of the (a) applicable Initial Dividend Rate; or (b) the simple average of the closing per annum rate of the 7-year BVAL (or if the 7-year BVAL is not available or cannot be determined, any such successor rate as determined by the BAP or

the BSP, as published on the website of the Philippine Dealing System Group or, if unavailable, the PDEX page of Bloomberg (or such successor website or page of the publication agent or electronic service provider) for the three (3) consecutive Business Days preceding and inclusive of the Series 4B Step-Up Date, plus 3.25% (the “**PRF4B Step-Up Dividend Rate**”); and

- (c) For the Series 4C Preferred Shares, the higher of the (a) applicable Initial Dividend Rate; or (b) the simple average of the closing per annum rate of the 10-year BVAL (or if the 10-year BVAL is not available or cannot be determined, any such successor rate as determined by the BAP or the BSP, as published on the website of the Philippine Dealing System Group or, if unavailable, the PDEX page of Bloomberg (or such successor website or page of the publication agent or electronic service provider) for the three (3) consecutive Business Days preceding and inclusive of the Series 4C Step-Up Date, plus 3.25% (the “**PRF4C Step-Up Dividend Rate**”).

Provided, that in the event the relevant Step-Up Date falls on a day that is not a Business Day -

- (a) the rate setting will be done on the immediately succeeding Business Day using the average of the relevant BVAL rates for the three (3) consecutive Business Days preceding and inclusive of the said rate setting date; and
- (b) the higher of the applicable initial Dividend Rate and the applicable Step-Up Dividend Rate will be applied commencing on the Step-Up Date (which is the 4th anniversary date of the Series 4A Preferred Shares, the 5th anniversary of the Series 4B Preferred Shares, and the 7th anniversary of the Series 4C Preferred Shares).

(Each of the PRF4A Step-Up Dividend Rate, PRF4B Step-Up Dividend Rate, and the PRF4C Step-Up Dividend Rate being a “**Step-Up Dividend Rate**”.) See “*Summary of the Offering*”.

Dividends on the Series 4 Preferred Shares will be cumulative. If for any reason the Issuer’s Board does not declare dividends on the Series 4 Preferred Shares for a Dividend Period, the Issuer will not pay dividends on the Dividend Payment Date for the Dividend Period. However, on any future Dividend Payment Date on which dividends are declared, holders of the Series 4 Preferred Shares must receive the dividends due them on such Dividend Payment Date as well as all dividends accrued and unpaid to the holders of the Series 4 Preferred Shares prior to such Dividend Payment Date. See “*Description of the Preferred Shares*”.

As and if approved by the Board of Directors (or the Executive Committee), the Company may redeem in whole (but not in part), any subseries of the Series 4 Preferred Shares as follows:

- (a) in respect of Series 4A Preferred Shares, two (2) years and six (6) months after Listing Date (the “**Series 4A First Optional Redemption Date**”) or on any Dividend Payment Date thereafter (each of the Series 4A First Optional Redemption Date and the Dividend Payment Dates thereafter, a “**Series 4A Optional Redemption Date**”);
- (b) in respect of Series 4B Preferred Shares, three (3) years after Listing Date (the “**Series 4B First Optional Redemption Date**”) or on any Dividend Payment Date thereafter (each of the Series 4B First Optional Redemption Date and the Dividend Payment Dates thereafter, a “**Series 4B Optional Redemption Date**”); and
- (c) in respect of Series 4C Preferred Shares, five (5) years after Listing Date (the “**Series 4C First Optional Redemption Date**”) or on any Dividend Payment Date thereafter (each of the Series 4C First Optional Redemption Date and the Dividend Payment Dates thereafter, a “**Series 4C Optional Redemption Date**”)

(each Series 4A Optional Redemption Date, Series 4B Optional Redemption Date, and Series 4C Optional Redemption Date, an “**Optional Redemption Date**”), after giving not more than 60 nor less than 30 days’ prior written notice to the intended date of redemption, at a redemption price equal to the relevant Offer Price of the Series 4 Preferred Shares plus all dividends due them on such Optional Redemption Date as well as all Arrears of Dividends after deduction of transfer costs customarily

chargeable to stockholders, as applicable, to effect the redemption (the “**Redemption Price**”). Such notice to redeem shall be deemed irrevocable upon issuance thereof.

For the avoidance of doubt, on the applicable Optional Redemption Date, the Issuer has the option to redeem, in whole but not in part, any or all of the subseries.

In the event an Optional Redemption Date which the Issuer has chosen as the date to redeem any or all of the subseries falls on a day that is not a Business Day, the redemption shall be made on the next succeeding day that is a Business Day, without adjustment as to the Redemption Price and the amount of dividends to be paid.

The Issuer may also redeem the Series 4 Preferred Shares, in whole but not in part, at any time prior to any Optional Redemption Date if an Accounting Event or a Tax Event (each as defined below) has occurred and is continuing, having given not more than 60 nor less than 30 days’ notice prior to the intended date of redemption. The redemption due to an Accounting Event or a Tax Event shall be made by the Issuer at the Redemption Price which shall be paid within five (5) Business Days of the exercise of the right to redeem the Series 4 Preferred Shares; provided that if the Accounting Event or Tax Event is specific to a subseries, then the foregoing optional redemption may be exercised only with respect to such subseries.

Each Preferred Share has a liquidation right equal to the Offer Price of the Preferred Share plus an amount equal to any dividends declared but unpaid in respect of the previous dividend period and any accrued and unpaid dividends for the then current dividend period to (and including) the date of commencement of the Company’s winding up or the date of any such other return of capital, as the case may be (the “**Liquidation Right**”).

Upon listing on the PSE, the Issuer reserves the right to purchase the Series 4 Preferred Shares at any time in the open market or by public tender or by private contract at any price through PSE without any obligation to purchase or redeem the other Series 4 Preferred Shares. The Series 4 Preferred Shares so purchased may either be redeemed (pursuant to their terms and conditions as set out in this Offer Supplement) and cancelled or kept as treasury shares, as applicable.

All payments in respect of the Series 4 Preferred Shares are to be made free and clear of any deductions or withholding for or on account of any present or future taxes or duties imposed by or on behalf of the Government of the Republic of the Philippines (the “**Government**”), including, but not limited to, stamp, issue, registration, documentary, value added or any similar tax or other taxes and duties, including interest and penalties. If such taxes or duties are imposed, the Issuer will pay additional amounts so that the holders of Series 4 Preferred Shares will receive the full amount of the relevant payment which otherwise would have been due and payable, provided, however, that the Issuer shall not be liable for (a) any withholding tax applicable on dividends earned or on any amounts payable to the holders of the Series 4 Preferred Shares, including any additional tax on such dividends imposed by changes in law, rule, or regulation; (b) any income tax (whether or not subject to withholding); percentage tax (such as stock transaction tax), documentary stamp tax or other applicable taxes on the redemption (or receipt of the redemption price) of the Series 4 Preferred Shares or on the liquidating distributions as may be received by a holder of the Series 4 Preferred Shares; (c) any expanded value added tax which may be payable by any holder of the Series 4 Preferred Shares on any amount to be received from the Issuer under the terms and conditions of the Series 4 Preferred Shares; (d) any withholding tax, including any additional tax imposed by change in law, rules, or regulation, on any dividend payable to any holder of the Series 4 Preferred Shares or any entity which is a non-resident foreign corporation; and (e) any applicable taxes on any subsequent sale or transfer of the Series 4 Preferred Shares by any holder of the Series 4 Preferred Shares which shall be for the account of the said holder (or the buyer in case such buyer shall have agreed to be responsible for the payment of such taxes).

In the event payments in respect of the Series 4 Preferred Shares become subject to additional withholding or any new tax as a result of certain changes in law, rule or regulation, or in the interpretation thereof, and such tax cannot be avoided by use of reasonable measures available to the Issuer (“**Tax Event**”), the Issuer, having given not more than 60 nor less than 30 days’ notice, may redeem the Series 4 Preferred Shares at any time in whole but not in part, at the Offer Price plus all accrued and unpaid dividends, if any; provided that if the Tax Event is specific to a subseries, then the foregoing optional

redemption may be exercised only with respect to such subseries. (“**Redemption by reason of Tax Event**”). See “*Summary of the Offering*” and “*Description of the Preferred Shares*”.

Documentary stamp tax for the issuance of the Series 4 Preferred Shares and the documentation, if any, shall be for the account of the Issuer.

In the event an opinion of a recognized accountancy firm authorized to perform auditing services in the Republic of the Philippines has been delivered to the Issuer stating that the Series 4 Preferred Shares may no longer be recorded as equity in the audited consolidated financial statements of the Issuer prepared in accordance with Philippine Financial Reporting Standards (“**PFRS**”), or such other accounting standards which succeed PFRS as adopted by the Issuer for the preparation of its audited consolidated financial statements for the relevant financial year, and such event cannot be avoided by use of reasonable measures available to the Issuer (“**Accounting Event**”), the Issuer having given not more than 60 nor less than 30 days’ notice, may redeem the Series 4 Preferred Shares in whole, but not in part at the Redemption Price; provided that if the Accounting Event is specific to a subseries, then the foregoing optional redemption may be exercised only with respect to such subseries. (“**Redemption by reason of an Accounting Event**”). See “*Summary of the Offering*” and “*Description of the Preferred Shares*”.

The Series 4 Preferred Shares will constitute direct and unsecured subordinated obligations of the Issuer ranking at least *pari passu* in all respects and ratably without preference or priority among themselves. The Series 4 Preferred Shares will be subordinated to the US\$500 million Senior Perpetual Capital Securities of the Company issued in 2018 (the “**2018 SPCS**”), the US\$550 million Senior Perpetual Capital Securities of the Company issued in 2021 (the “**2021 SPCS**”, and together with 2018 SPCS, the “**Capital Securities**”), and any Senior Capital Securities that may be issued by the Company. See “*Summary of the Offering*” and “*Description of the Preferred Shares*”.

The Series 4 Preferred Shares shall be in scripless form. Title to the Series 4 Preferred Shares shall pass by endorsement and delivery to the transferee and registration in the registry of shareholders to be maintained by SMC Stock Transfer Service Corporation, the Registrar and Stock Transfer Agent. Settlement of the Series 4 Preferred Shares in respect of such transfer or change of title of the Series 4 Preferred Shares, including the settlement of documentary stamp taxes, if any, arising from subsequent transfers, shall be similar to the transfer of title and settlement procedures for listed securities in the PSE. See “*Summary of the Offering*”.

The gross proceeds of the Offer shall be ₱12,500,000,000.00 or, should the Joint Lead Underwriters and Joint Bookrunners, in consultation with the Issuer, exercise in full the Oversubscription Option, ₱22,500,000,000.00. The net proceeds from the Offer, after deducting from the gross proceeds the total issue management, underwriting and selling fees, listing fees, taxes and other related fees and out-of-pocket expenses, is estimated to be ₱12,390,962,138.00 or, should the Joint Lead Underwriters and Joint Bookrunners, in consultation with the Issuer, exercise in full the Oversubscription Option, ₱22,343,493,717.00, and will be used by the Company primarily for the partial redemption of the 2018 SPCS, partial refinancing of Php7B Retail Bonds, refinancing of existing indebtedness and purchase of crude oil.

BankCom, China Bank Capital, PCCI Capital, PNB Capital, and SB Capital acting as Joint Lead Underwriters and Joint Bookrunners, shall receive an estimated fee of 0.45% of the gross proceeds of the Offer, inclusive of any amount that may be paid to the selling agents.

No dealer, salesman or any other person has been authorized to give any information or to make any representation not contained in this Offer Supplement. If given or made, any such information or representation must not be relied upon as having been authorized by the Company, the Joint Lead Underwriters and Joint Bookrunners or the selling agents.

The Company owns land as identified in “*Description of Property*” on page 86 of the Prospectus. In connection with the ownership of private land, the 1987 Philippine Constitution states that no private land shall be transferred or conveyed except to citizens of the Philippines or to corporations or associations organized under the laws of the Philippines at least 60% of whose capital is owned by such citizens. <p>Process of distributing TP allocation among the Series 4A Preferred Shares, the Series 4B Preferred Shares, and the Series 4C Preferred Shares</p>	<p>Mechanics of Distribution</p> <ol style="list-style-type: none"> 1. 	<p>2. The spreadsheet shall distribute the total number of Offer Shares to be allocated to each Participating TP in accordance with the following process:</p> <ul style="list-style-type: none">a) If the total number of Offer Shares requested by a Participating TP, based on its Firm Undertaking, does not exceed the allocation per TP, the Sole Issue Manager shall fully satisfy the request of such Participating TP. Each TP is assured of not less than the Allocation per TP. The balance, if any, shall be re-distributed among those who have signified a commitment to purchase more than the Allocation per TP in their Firm Undertaking until all the Offer Shares allotted for distribution are fully allocated.b) If the total number of Offer Shares requested by a Participating TP exceeds the allocation per TP, Additional Shares may be sourced from the Offer Shares not taken up by the other TPs. The Sole Issue Manager, under the observation of a representative of the PSE Listings Department, shall allocate the Offer Shares to Participating TPs by: (i) fully satisfying the orders of those TPs who have Firm Orders that are less than or equal to the allocation per TP; and (ii) distributing equitably the remaining TP Allocation to other TPs with orders for Additional Shares, but only up to their respective Firm Order.c) The allocation will be done based on the total number of shares, regardless of the series.d) In no case shall any Participating TP be awarded more than the shares indicated in its Firm Undertaking.e) If the aggregate number of Offer Shares requested by all Participating TPs is less than the TP Allocation, the balance shall be returned to the Joint Lead Underwriters and Joint Bookrunners. <p>3. Unless otherwise determined by the Issuer, the final TP allocation shall be distributed among Series 4A, Series 4B, and Series 4C in the same proportion as each Series bears to the TP's aggregate Firm Undertaking, rounded to the prescribed board lot requirement as described in paragraph 10 in the TP Implementing Guidelines.</p> <p>4. All deadlines indicated in these procedures shall be strictly followed.</p>

Features Specific or Particular to the Series 4 Preferred Shares

Following are certain features specific or particular to the Series 4 Preferred Shares:

In General: No Voting Rights

The Series 4 Preferred Shares shall have no voting rights except as specifically provided by the Revised Corporation Code. Thus, Shareholders shall not be eligible, for example, to vote for or elect the Company's Directors or to vote for or against the issuance of a stock dividend. Shareholders, however, may vote on matters which the Revised Corporation Code considers significant corporate acts that may be implemented only with the approval of shareholders, including those holding shares denominated as non-voting in the articles of incorporation. These acts, which require the approval of shareholders representing at least two-thirds (2/3) of the outstanding capital stock of the Company are as follows:

- Amendment of the Company's Articles of Incorporation (the "**Articles**") (including any increase or decrease of capital stock);
- Amendment of the Company's By-laws (the "**By-laws**");
- Sale, lease, exchange, mortgage, pledge or other disposition of all or a substantial part of the Company's assets;
- Incurring, creating or increasing bonded indebtedness;
- Increase or decrease of capital stock;
- Merger or consolidation of the Company with another corporation or corporations;
- Investment of corporate funds in any other corporation or business or for any purpose other than the primary purpose for which the Company was organized; and
- Dissolution of the Company.

In General: Perpetual

The Series 4 Preferred Shares are perpetual and have no fixed maturity date. Upon redemption, the Series 4 Preferred Shares shall not be retired but may be reissued under such terms and conditions and procedure as may be determined by the Board of Directors or the Executive Committee (when so delegated to it by the Board of Directors).

Dividend Policy in Respect of the Series 4 Preferred Shares

As and if dividends are declared by the Board, dividends on the Shares shall be at a fixed rate of [●]% per annum for Series 4A Preferred Shares, [●]% per annum for Series 4B Preferred Shares, and [●]% per annum for Series 4C Preferred Shares, in all cases calculated in respect of each share by reference to the Offer Price thereof in respect of each Dividend Period.

Cash dividends on the Series 4 Preferred Shares will be payable quarterly in arrears starting on [October 7, 2023] and every [January 7], [April 7], [July 7] and [October 7] of each year (each a "**Dividend Payment Date**"), each being the last day of each three (3)-month period (a "**Dividend Period**") following the relevant Listing Date. The dividends on the Preferred Shares will be calculated on a 30/360-day basis and will be paid quarterly in arrears on Dividend Payment Date, as and if declared by the Board. If the Dividend

Payment Date is not a Business Day, dividends will be paid on the next succeeding Business Day, without adjustment as to the amount of dividends to be paid.

The declaration and payment of cash dividends on each Dividend Period will be subject to the sole and absolute discretion of the Board to the extent permitted by applicable laws and regulations, and subject to the covenants (financial or otherwise) in the agreements to which the Company is a party.

The declaration and payment of cash dividends for each Dividend Period will be subject to the sole and absolute discretion of the Board of Directors of the Issuer, to the extent permitted by applicable laws and regulations, and the covenants (financial or otherwise) in the agreements to which the Issuer is a party. The Board of Directors will not declare and pay dividends for any Dividend Period where payment of such dividends would cause the Issuer to breach any of its covenants (financial or otherwise).

If in the opinion of the Board of Directors, the Company will not be in a position to pay in full the dividends on the Series 4 Preferred Shares and the dividends or distributions on any Parity Securities falling due within a six (6)-month period from any Dividend Payment Date, after paying in full an amount equal to all dividends or distributions scheduled to be paid on or before that dividend or distribution payment date on any securities with a right to dividends or distributions ranking in priority to that of the Series 4 Preferred Shares, the Company shall either (a) not declare the dividends on the Series 4 Preferred Shares and defer the payment of such dividends or distributions on any Parity Securities, or (b) pay such dividends on the Series 4 Preferred Shares and the dividends or distributions on any Parity Securities *pro rata* to the amount of the dividends or distributions scheduled to be paid to them within the said period. The amount scheduled to be paid will include the amount of any dividend or distribution due and payable within the said period and any arrears on past cumulative dividends or any deferred distributions.

Dividends on the Series 4 Preferred Shares will be cumulative. If for any reason the Board of Directors of the Company does not declare a dividend on the Series 4 Preferred Shares for a Dividend Period, the Company will not pay a dividend on the Dividend Payment Date for that Dividend Period. However, on any future Dividend Payment Date on which dividends are declared, holders of the Series 4 Preferred Shares must receive the dividends due them on such Dividend Payment Date as well as any dividends in which the declaration and/or payment have been deferred, in respect of prior Dividend Periods (the "**Arrears of Dividends**").

Shareholders shall not be entitled to participate in any other or further dividends beyond the dividends specifically payable on the Series 4 Preferred Shares.

The Company covenants that, in the event (for any reason):

- a. any dividends due with respect to any Series 4 Preferred Shares then outstanding for any period are not declared and paid in full when due;
- b. where there remains Arrears of Dividends; or
- c. any other amounts payable in respect of the Series 4 Preferred Shares are not paid in full when due,

then the Company will not:

- a. declare or pay any dividends or other distributions in respect of Parity Securities and Junior Securities (unless such declaration or payment of dividends or distributions in respect of Parity Securities shall be in accordance with "**Conditions on Declaration and Payment of Cash Dividends**"), or
- b. repurchase or redeem any Parity Securities or Junior Securities (or contribute any moneys to a sinking fund for the redemption of any Parity Securities or Junior Securities),

until any and all amounts described in (a), (b) and (c) have been paid to the holders of the Series 4 Preferred Shares.

Optional Redemption of the Series 4 Preferred Shares

As and if approved by the Board of Directors (or the Executive Committee), the Company may redeem in whole (but not in part), any subseries of the Series 4 Preferred Shares as follows:

- a. in respect of Series 4A Preferred Shares, two (2) years and six (6) months after Listing Date (the “**Series 4A First Optional Redemption Date**”) or on any Dividend Payment Date thereafter (each of the Series 4A First Optional Redemption Date and the Dividend Payment Dates thereafter, a “**Series 4A Optional Redemption Date**”);
- b. in respect of Series 4B Preferred Shares, three (3) years after Listing Date (the “**Series 4B First Optional Redemption Date**”) or on any Dividend Payment Date thereafter (each of the Series 4B First Optional Redemption Date and the Dividend Payment Dates thereafter, a “**Series 4B Optional Redemption Date**”); and
- c. in respect of Series 4C Preferred Shares, five (5) years after Listing Date (the “**Series 4C First Optional Redemption Date**”) or on any Dividend Payment Date thereafter (each of the Series 4C First Optional Redemption Date and the Dividend Payment Dates thereafter, a “**Series 4C Optional Redemption Date**”)

(each Series 4A Optional Redemption Date, Series 4B Optional Redemption Date, and Series 4C Optional Redemption Date, an “**Optional Redemption Date**”),

after giving not less than 30 nor more than 60 days written notice prior to the intended date of redemption, at a redemption price equal to the Offer Price of the Series 4 Preferred Shares plus all dividends due them on the actual date of redemption as well as all accumulated dividends due and payable, or Arrears of Dividends after deduction of transfer costs customarily chargeable to stockholders, as applicable, to effect the redemption (the “**Redemption Price**”). Such notice to redeem shall be deemed irrevocable upon issuance thereof.

For the avoidance of doubt, on the applicable Optional Redemption Date, the Issuer has the option to redeem, in whole but not in part, any, some, or all of the subseries.

In the event an Optional Redemption Date which the Issuer has chosen as the date to redeem any, some, or all of the subseries falls on a day that is not a Business Day, the redemption shall be made on the next succeeding day that is a Business Day, without adjustment as to the Redemption Price and the amount of dividends to be paid.

The Issuer shall likewise have the option to redeem, in whole but not in part, any, some, or all of the subseries (a) in the event payments in respect of the Series 4 Preferred Shares become subject to additional withholding or any new tax as a result of certain changes in law, rule or regulation, or in the interpretation thereof, and such tax cannot be avoided by use of reasonable measures available to the Issuer; or (b) in the event an opinion of a recognized accountancy firm authorized to perform auditing services in the Republic of the Philippines has been delivered to the Issuer stating that the Series 4 Preferred Shares may no longer be recorded as equity in the audited consolidated financial statements of the Issuer prepared in accordance with Philippine Financial Reporting Standards (“**PFRS**”), or such other accounting standards which succeed PFRS as adopted by the Issuer for the preparation of its audited consolidated financial statements for the relevant financial year, and such event cannot be avoided by use of reasonable measures available to the Issuer.

Upon listing on the PSE, the Company reserves the right to purchase the Series 4 Preferred Shares at any time in the open market or by public tender or by private contract at any price through the PSE

without any obligation to purchase or redeem the other Series 4 Preferred Shares. The Series 4 Preferred Shares so purchased may either be redeemed (pursuant to their terms and conditions as set out in this Offer Supplement) and cancelled or kept as treasury shares, as applicable.

Step-Up Dividend Rate

Unless the Series 4 Preferred Shares shall have been redeemed by the Company as follows:

- a. in respect of Series 4A Preferred Shares, on the 4th anniversary of the Listing Date (the “**Series 4A Step-Up Date**”);
- b. in respect of Series 4B Preferred Shares, on the 5th anniversary of the Listing Date (the “**Series 4B Step-Up Date**”); and
- c. in respect of Series 4C Preferred Shares, on the 7th anniversary of the Listing Date (the “**Series 4C Step-Up Date**”)

(each, referred to as a “**Step-Up Date**”), the Initial Dividend Rate shall be adjusted as follows:

- i. for Series 4A Preferred Shares, the higher of the (a) applicable Initial Dividend Rate; or (b) the simple average of the closing per annum rate of the 5-year BVAL (or if the 5-year BVAL is not available or cannot be determined, any successor rate as determined by the Bankers Association of the Philippines (“**BAP**”) or the *Bangko Sentral ng Pilipinas* (“**BSP**”)), as published on the website of the Philippine Dealing System Group or, if unavailable, the PDEX page of Bloomberg (or such successor website or page of the publication agent or electronic service provider) for the three (3) consecutive Business Days preceding and inclusive of the Series 4A Step-Up Date, plus 3.25%;
- ii. for Series 4B Preferred Shares, the higher of the (a) applicable Initial Dividend Rate; or (b) the simple average of the closing per annum rate of the 7-year BVAL (or if the 7-year BVAL is not available or cannot be determined, any successor rate as determined by the BAP or the BSP), as published on the website of the Philippine Dealing System Group or, if unavailable, the PDEX page of Bloomberg (or such successor website or page of the publication agent or electronic service provider) for the three (3) consecutive Business Days preceding and inclusive of the Series 4B Step-Up Date, plus 3.25%; and
- iii. for Series 4C Preferred Shares, the higher of the (a) applicable Initial Dividend Rate; or (b) the simple average of the closing per annum rate of the 10-year BVAL (or if the 10-year BVAL is not available or cannot be determined, any successor rate as determined by the BAP or the BSP), as published on the website of the Philippine Dealing System Group or, if unavailable, the PDEX page (of Bloomberg (or such successor website or page of the publication agent or electronic service provider) for the three (3) consecutive Business Days preceding and inclusive of the Series 4C Step-Up Date, plus 3.25%.

(The date of the listing of the Series 4A Preferred Shares, the Series 4B Preferred Shares, and the Series 4C Preferred Shares is referred to as the “**Listing Date**”. The adjusted rates referred to in (i), (ii), and (iii) are each referred to as a “**Step-Up Dividend Rate**”.)

However, if the Initial Dividend Rate is higher than the applicable Step-Up Dividend Rate, there shall be no adjustment on the Dividend Rate, and the Initial Dividend Rate shall continue to be the Dividend Rate.

In the event the relevant Step-Up Date falls on a day that is not a Business Day,

- a. the rate setting will be done on the immediately succeeding Business Day using the average of the relevant BVAL rates for the three (3) consecutive Business Days preceding and inclusive of the said rate setting date, and

- b. the higher of the applicable Initial Dividend Rate and the applicable Step-Up Dividend Rate will be applied commencing on the Step-Up Date (which is the 4th anniversary date of the Series 4A Preferred Shares, the 5th anniversary date of the Series 4B Preferred Shares, and the 7th anniversary of the Series 4C Preferred Shares).

In the event that BVAL is replaced by a new benchmark rate as determined by the BAP or the BSP, such new benchmark rate shall be adopted for purposes of determining the Dividend Rate (the “**New Benchmark Rate**”). In the absence of such new replacement benchmark rate as determined by the BAP or the BSP and there is a mandatory directive by the BAP or the BSP to no longer use or apply BVAL, the Company and the Joint Lead Underwriters and Joint Bookrunners shall negotiate to adopt an alternative rate that will serve as the New Benchmark Rate.

Payments on the Series 4 Preferred Shares

All payments in respect of the Series 4 Preferred Shares are to be made free and clear of any deductions or withholding for or on account of any present or future taxes or duties imposed by or on behalf of the Republic of the Philippines, including but not limited to, stamp, issue, registration, documentary, value added or any similar tax or other taxes and duties, including interest and penalties. If such taxes or duties are imposed, the Company will pay additional amounts so that holders of the Series 4 Preferred Shares will receive the full amount of the relevant payment which otherwise would have been due and payable; provided, however, that the Company shall not be liable for: (a) any withholding tax applicable on dividends earned by or on any amounts payable to the holders of the Series 4 Preferred Shares, including any additional tax on such dividends imposed by changes in law, rule, or regulation; (b) any income tax (whether or not subject to withholding), percentage tax (such as stock transaction tax), documentary stamp tax or other applicable taxes on the redemption of the Series 4 Preferred Shares or on the liquidating distributions as may be received by a holder of Series 4 Preferred Shares; (c) any expanded value added tax which may be payable by any holder of the Series 4 Preferred Shares on any amount to be received from the Company under the Series 4 Preferred Shares; (d) any withholding tax, including any additional tax imposed by changes in law, rule, or regulation, on any dividend payable to any holder of the Share or any entity which is a non-resident foreign corporation; and (e) any applicable taxes on any subsequent sale or transfer of the Series 4 Preferred Shares by any holder of the Series 4 Preferred Shares which shall be for the account of the said holder (or the buyer in case such buyer shall have agreed to be responsible for the payment of such taxes).

All sums payable by the Company to tax-exempt entities shall be paid in full without deductions for taxes, duties, assessments or governmental charges provided said entities present sufficient proof of such tax-exempt status from the tax authorities. See “*Plan of Distribution—Application to Purchase*” of this Offer Supplement for the list of documents required to be submitted as proof of tax-exempt status.

Documentary stamp tax and all other costs and expenses for the issuance of the Series 4 Preferred Shares and the documentation, if any, shall be for the account of the Company.

Early Redemption by reason of a Tax Event

In the event dividend payments become subject to additional or higher withholding or any new tax (including a higher rate of an existing tax) as a result of certain changes in law, rule or regulation, or in the interpretation thereof, and such tax cannot be avoided by use of reasonable measures available to the Company, the Company may redeem the Series 4 Preferred Shares at any time in whole, but not in part, having given not more than 60 nor less than 30 days’ notice prior to the intended date of redemption, at the Offer Price plus all accrued and Arrears of Dividends, if any. The Redemption Price shall be paid within five Business Days of the exercise of the right to redeem the Series 4 Preferred Share; provided that if the Tax Event is specific to a subseries, then the foregoing optional redemption may be exercised only with respect to such subseries.

Early Redemption by reason of an Accounting Event

In the event an opinion of a recognized accountancy firm authorized to perform auditing services in the Republic of the Philippines has been delivered to the Company stating that the Series 4 Preferred Shares may no longer be recorded as equity in the audited consolidated financial statements of the Company prepared in accordance with PFRS, or such other accounting standards which succeed PFRS as adopted by the Company for the preparation of its audited consolidated financial statements for the relevant financial year, and such event cannot be avoided by use of reasonable measures available to the Company, the Company having given not more than 60 nor less than 30 days' notice, may redeem the Series 4 Preferred Shares in whole, but not in part at the Redemption Price; provided that if the Accounting Event is specific to a subseries, then the foregoing optional redemption may be exercised only with respect to such subseries.

Liquidation Rights in Respect of the Series 4 Preferred Shares

The Series 4 Preferred Shares will constitute the direct and unsecured subordinated obligations of the Company ranking at least *pari passu* in all respects and ratably without preference or priority among themselves with all other Series 4 Preferred Shares issued by the Company and any other Parity Securities issued by the Company. The Series 4 Preferred Shares will be subordinated to the Capital Securities issued in 2018 and 2021.

In the event of a return of capital in respect of the Company's winding up or otherwise (whether voluntarily or involuntarily) but not on a redemption or purchase by the Company of any of its share capital, the obligations of the Company in respect of the Series 4 Preferred Shares will, subject to and to the extent permitted by applicable law, rank: (a) junior to all unsubordinated obligations of the Company (other than Parity Securities) and any obligation assumed by the Company under any guarantee of, or any indemnity in respect of, any obligation or commitment which rank or are expressed to rank senior to the Series 4 Preferred Shares; (b) *pari passu* with each other and with any Parity Securities of the Company; and (c) senior only to the Company's Junior Securities.

The Company is at liberty from time to time without the consent of the Shareholders to create and issue additional preferred shares or securities either (a) ranking at least *pari passu* in all respects with the Series 4 Preferred Shares, or (b) upon such terms as to ranking, distributions, conversion, redemption and otherwise as the Company may determine at the time of the issue.

Shareholders at the time outstanding will be entitled to receive, in Pesos out of the Company's assets available for distribution to shareholders, together with the holders of any other of the Company's shares ranking, as regards repayment of capital, *pari passu* with the Series 4 Preferred Shares and before any distribution of assets is made to holders of any class of the Company's shares ranking after the Series 4 Preferred Shares as regards repayment of capital, liquidating distributions in an amount equal to the Offer Price of the Series 4 Preferred Shares plus an amount equal to any dividends declared but unpaid in respect of the previous dividend period and any accrued and unpaid dividends for the then current dividend period to (and including) the date of commencement of the Company's winding up or the date of any such other return of capital, as the case may be. If, upon any return of capital in the Company's winding up, the amount payable with respect to the Series 4 Preferred Shares and any other of the Company's shares ranking as to any such distribution *pari passu* with the Series 4 Preferred Shares is not paid in full, the holders of the Series 4 Preferred Shares and of such other shares will share ratably in any such distribution of the Company's assets in proportion to the full respective preferential amounts to which they are entitled. After payment of the full amount of the liquidating distribution to which they are entitled, the holders of the Series 4 Preferred Shares will have no right or claim to any of the Company's remaining assets and will not be entitled to any further participation or return of capital in a winding up.

No Pre-emptive Rights

There are no pre-emptive rights extended to holders of Series 4 Preferred Shares over all share issuances of the Company including, without limitation, treasury shares.

Transfer of Shares and Share Register

The Series 4 Preferred Shares shall be in scripless form through the electronic book-entry system of SMC Stock Transfer Service Corporation as Registrar for the Offer and lodged with Philippine Depository & Trust Corporation (“**PDTC**”) as Depository Agent not later than the Listing Date through PSE Trading Participants nominated by the Applicants.

Legal title to the Series 4 Preferred Shares will be shown in an electronic register of shareholders (the “**Registry of Shareholders**”) which shall be maintained by the Registrar. The Registrar shall send a transaction confirmation advice confirming every receipt or transfer of the Series 4 Preferred Shares that is effected in the Registry of Shareholders (at the cost of the requesting Shareholder). The Registrar shall send (at the cost of the Company) at least once every quarter a Statement of Account to all Shareholders named in the Registry of Shareholders confirming the number of Shares held by each Shareholder on record in the Registry of Shareholders. Such Statement of Account shall serve as evidence of ownership of the relevant Shareholder as of a given date thereof. Any request by Shareholders for certifications, reports or other documents from the Registrar, except as provided herein, shall be for the account of the requesting Shareholder.

Initial placement of the Series 4 Preferred Shares and subsequent transfers of interests in the Series 4 Preferred Shares shall be subject to normal Philippine selling restrictions for listed securities as may prevail from time to time.

After Listing Date, Shareholders may request the Registrar, through their nominated PSE Trading Participant, to (a) open a scripless registry account and have their holdings of the Series 4 Preferred Shares registered under their name (“**name-on-registry account**”), or (b) issue stock certificates evidencing their investment in the Series 4 Preferred Shares. Any expense that will be incurred in relation to such registration or issuance shall be for the account of the requesting Shareholder.

Philippine law does not require transfers of the Series 4 Preferred Shares to be effected on the PSE, but any off- exchange transfers will subject the transferor to a capital gains tax or, to the extent applicable, donor’s tax and documentary stamp tax, which taxes may be significantly greater than the stock transfer tax applicable to transfers effected on an exchange. See “*Taxation*”. All transfers of shares on the PSE must be effected through a licensed stock broker in the Philippines.

Not convertible into Common Shares or Other Preferred Shares

The Series 4 Preferred Shares shall not be convertible to any common shares or other preferred shares of the Company.

Other Rights and Incidents Relating to the Series 4 Preferred Shares

Following are other rights and incidents relating to the Series 4 Preferred Shares, which may also apply to other classes of Petron’s stock.

Directors

Unless otherwise provided by law or the Articles, the Company’s corporate powers are exercised, its business is conducted, and its property is controlled by the Board. Petron has 15 directors who are elected by holders of shares entitled to voting rights under the Articles during each annual meeting of the shareholders for a term of one year who shall serve as such until their successors shall have been duly elected and shall have qualified. As mentioned, holders of Series 4 Preferred Shares are not entitled to vote for and elect the Company’s Directors.

Petron’s By-laws currently disqualify or deem ineligible for nomination or election to the Board any person who is engaged in any business which competes with or is antagonistic to that of the Company. Without limiting the generality of the foregoing, a person shall be deemed so engaged:

- a. If he is an officer, manager or controlling person of, or the owner (either of record or beneficially) of 10% or more of any outstanding class of shares of, any corporation (other than one in which the Company owns at least 30% of the capital stock) engaged in a business which the Board determines by resolution to be competitive or antagonistic to that of the Company or any of its affiliates and subsidiaries;
- b. If he is an officer, manager, controlling person of, or the owner (either of record or beneficially) of 10% or more of any outstanding class of shares of any other corporation or entity engaged in any line of business of the Company or any of its affiliates and subsidiaries, if the Board determines by resolution that the laws against combinations in restraint of trade shall be violated by such person's membership in the Board; and
- c. If the Board, in the exercise of its judgment in good faith, determines by resolution that such person is the nominee of any person set forth in (a) or (b).

The Company conforms to the requirement under the Revised Corporation Code to have independent directors constituting at least 20% of the board. As of the date of this Offer Supplement, the Company has three independent directors, namely, Artemio V. Panganiban, Margarito B. Teves, and Ricardo C. Marquez.

The presence of a majority of the directors shall constitute a quorum for the transaction of business at any meeting. In the absence of a quorum, a majority of the directors present may adjourn any meeting from time to time until a quorum is achieved. Notice of any adjourned meeting need not be given.

Any vacancy other than that caused by the removal by the shareholders, expiration of the term or increase in the number of directors on the Board, may be filled by the affirmative vote of at least a majority of the remaining directors, if still constituting a quorum. Any director elected in this manner shall serve only for the unexpired term of the director replaced.

Shareholders' Meetings

At the annual meeting or at any special meeting of the Company's shareholders, the latter may be asked to approve actions requiring shareholder approval under Philippine law.

Quorum

The Revised Corporation Code provides that, except in instances where the approval of shareholders representing two-thirds (2/3) of the outstanding capital stock is required to approve a corporate act (usually involving the significant corporate acts where even non-voting shares may vote, as identified above) or where the by-laws provide otherwise, a quorum for a meeting of shareholders will exist if shareholders representing a majority of the capital stock are present in person, by proxy, via remote communication, or in absentia.

Voting

At each shareholders' meeting, each holder of common shares shall be entitled to vote in person, or by proxy, via remote communication, or in absentia, all shares held by him, upon any matter duly raised in such meeting. Upon the other hand, holders of preferred shares may vote on matters which the Revised Corporation Code considers significant corporate acts that may be implemented only with the approval or assent of shareholders, including those holding shares denominated as non-voting in the articles of incorporation. See *"Description of the Preferred Share –In General: No Voting Rights"*.

The Company's By-laws provide that proxies shall be in writing and signed and in accordance with the existing laws, rules and regulations of the SEC. Duly accomplished proxies must be submitted to the office of the Corporate Secretary not later than ten (10) business days prior to the date of the stockholders' meeting. Pursuant to the Revised Corporation Code, no proxies shall be valid for a period longer than five (5) years.

Fixing Record Dates

The Board has the authority to fix in advance the record date for shareholders entitled: (a) to notice of, to vote at, or to have their votes voted at, any shareholders' meeting; (b) to receive payment of dividends or other distributions or allotment of any rights; or (c) for any lawful action or for making any other proper determination of shareholders' rights. Under the By-laws, the Board may, by resolution, direct the stock transfer books of the Corporation be closed for a period not exceeding 60 days preceding the date of any meeting of stockholders. The record date shall in no case be more than 60 days nor less than 35 days preceding such meeting of shareholders. In the case of dividend payments, the record date shall not be less than ten (10) business days after dividend declaration date in compliance with applicable regulations of the PSE.

Appraisal Rights

Philippine law recognizes the right of a shareholder to institute, under certain circumstances, proceedings on behalf of the corporation in a derivative action in circumstances where the corporation itself is unable or unwilling to institute the necessary proceedings to redress wrongs committed against the corporation or to vindicate corporate rights, as for example, where the directors themselves are the malefactors.

In addition, the Revised Corporation Code grants a shareholder a right of appraisal in certain circumstances where he has dissented and voted against a proposed corporate action, including:

- An amendment of the articles of incorporation which has the effect of adversely affecting the rights attached to his shares or of authorizing preferences in any respect superior to those of outstanding shares of any class or extension or shortening the term of corporate existence;
- The sale, lease, exchange, transfer, mortgage, pledge or other disposal of all or substantially all of the assets of the corporation;
- The investment of corporate funds in another corporation or business for any purpose other than the primary purpose for which the corporation was organized; and
- A merger or consolidation.

In these circumstances, the dissenting shareholder may require the corporation to purchase his shares at a fair value which, in default of an agreement, is determined by three disinterested persons, one of whom shall be named by the shareholder, one by the corporation, and the third by the two thus chosen. The SEC will, in the event of a dispute, determine any question about whether a dissenting shareholder is entitled to this right of appraisal. The dissenting shareholder will be paid if the corporate action in question is implemented and the corporation has unrestricted retained earnings sufficient to support the purchase of the shares of the dissenting shareholders.

Derivative Rights

Under Philippine law, shareholders have the right to institute proceedings on behalf of the corporation in a derivative action in the event that the corporation itself is unable or unwilling to institute the necessary proceedings to rectify the wrongs committed against the corporation or to vindicate corporate rights as, for example, where the directors themselves are the malefactors.

Accounting and Auditing Requirements/Rights of Inspection

Philippine stock corporations are required to file copies of their annual financial statements with the SEC and the Philippine Bureau of Internal Revenue ("BIR"). Corporations whose shares are listed on the PSE are also required to file quarterly and annual reports with the SEC and the PSE. Shareholders are entitled to request copies of the most recent financial statements of the corporation which include a statement of financial position as of the end of the most recent tax year and a profit and loss statement for that year. Shareholders are also entitled to inspect and examine at reasonable hours on a business day the books and records that the corporation is required by law to maintain.

The Board is required to present to shareholders at every annual meeting a financial report of the operations of the corporation for the preceding year. This report is required to include audited financial statements.

The foregoing discussion represents a best estimate of the use of proceeds of the Offer based on the Company's current plans and anticipated expenditures. In the event that there is any change in the Company's development plan, including force majeure, market conditions and other circumstances, the Company will carefully evaluate the situation and may reallocate the proceeds for future investments or other uses, and/or hold such funds in investments, whichever is better for the Company's and its shareholders' interest taken as a whole. The Company's cost estimates may also change as these plans

are developed further, and actual costs may be different from budgeted costs. For these reasons, timing and actual use of the net proceeds may vary from the foregoing discussion and the Company's management may find it necessary or advisable to alter its plans. In the event of any substantial deviation, adjustment or reallocation in the planned use of proceeds, the Company shall inform the SEC, the PSE and the holders of the Series 4 Preferred Shares in writing at least 30 days before such deviation, adjustment or reallocation is implemented. - c. Cancellation, revocation or termination of the Approvals;
- d. Trading in the PSE is closed or suspended for at least three (3) consecutive trading days other than due to weekends or declared holidays, or in such manner or for such period as will render impracticable the listing and trading of the Offer Shares on the Listing Date or such other date as may be approved by PSE;
- e. There is a change or impending change in any Philippine law, rule, regulation, policy or administrative practice, or a ruling, interpretation, decree or order which (i) materially and adversely affects: (a) the ability of the Issuer to engage in the business it is presently engaged in; (b) the capacity and due authorization of the Issuer to offer and issue the Offer Shares and enter into the transaction documents in connection with the Offer, (c) any of the features, yield or marketability of the Offer Shares, including the taxes on fees or costs in connection with the Offer, or (ii) renders illegal the performance by any of the Joint Lead Underwriters and Joint Bookrunners of their respective obligations hereunder;
- f. Any significant, adverse, and unforeseeable change or development in the Issuer's long-term financial condition, assets, liabilities, results of operations, business, properties, or profitability, which renders the Offer Shares unsuitable for offering to the public;

- i. A general banking moratorium is declared in the Philippines or a material disruption in commercial banking or securities settlement or clearance services occurs in the Philippines;
- j. The commencement or threatened commencement by any entity, person or regulatory body of any public action, court proceeding, litigation, arbitration or other similar proceeding against the Joint Lead Underwriters and Joint Bookrunners in connection with or with respect to the issuance or sale by the Issuer of the Offer Shares in the Offer in general which renders the performance of their underwriting commitment impossible or impracticable;
- k. Any event occurs which makes it impossible for the Joint Lead Underwriters and Joint Bookrunners to perform their underwriting obligations due to conditions beyond their control, such as issuance by any court, arbitral tribunal, or government agency which has jurisdiction on the matter of an order restraining or prohibiting the Joint Lead Underwriters and Joint Bookrunners, or directing the Joint Lead Underwriters and Joint Bookrunners to cease, from performing their underwriting obligations;

- l. Any representation, warranty or statement of the Issuer in the Underwriting Agreement, in any certificate, or any information given in the Prospectus and the Offer Supplement is untrue or misleading in any material respect or omitted to state a material fact necessary to make the statements therein in light of the circumstances in which they were made, provided that such: (a) was not known and could not have been known to the Joint Lead Underwriters and Joint Bookrunners on or before commencement of the Offer Period despite the exercise of due diligence, and (b) has a material and adverse effect on the Issuer's long-term financial condition, assets, liabilities, results of operations, business, properties, or profitability;
- m. Unavailability of PDTC's lodgement facilities and the PSE's listing facilities used for the Offer and/or listing prior to or on the target Listing Date and such unavailability effectively prevents the ability of the Issuer and the Joint Lead Underwriters and Joint Bookrunners to fully comply with the listing requirements of PSE, if the impact of such unavailability remains unresolved after discussions between the Issuer and the Joint Lead Underwriters and Joint Bookrunners in good faith; and
- n. Any force majeure event, other than the ones enumerated above, that has material and adverse effect on the Issuer's long-term financial condition, assets, liabilities, results of operations, business, properties, or profitability.

After the commencement of the Offer Period, the Offer shall not be withdrawn, cancelled, suspended, or terminated solely by reason of the Issuer's or Joint Lead Underwriters and Joint Bookrunners' inability to sell or market the Offer Shares or refusal or failure to comply with any undertaking or commitment by the Issuer, the underwriter, or any other entity/person to take up any Offer Shares remaining after the Offer Period.

Notwithstanding the acceptance of any Application, the actual issuance of the Offer Shares to an Applicant shall take place only upon the listing of the Offer Shares on the PSE. Subject to the right of the Company to withdraw or cancel the offer and sale of the Offer Shares prior to Listing Date pursuant to this section and the "*Plan of Distribution – Withdrawal of the Offer*" of the Offer Supplement, the Company and any of its agents involved in the Offer undertake to comply with all conditions that are within the control of the Company and any of its agents involved in the Offer, to ensure the listing of the Offer Shares on Listing Date.

Notwithstanding the foregoing, the Company and the Joint Lead Underwriters and Joint Bookrunners recognize and acknowledge that the PSE is a self-regulatory organization with a mandate to maintain a fair and orderly market. In this regard, the PSE may impose appropriate and reasonable sanctions and penalties on the relevant party for the cancellation of the Offer on or after the commencement of the Offer Period and prior to the Issue Date if, subsequently, the PSE determines that the cancellation or suspension of the Offer was not warranted based on the facts gathered and properly evaluated by PSE and after due and proper proceedings initiated by the PSE not later than five (5) Business Days after such cancellation or suspension.

Overview of the Joint Lead Underwriters and Bookrunners

Bank of Commerce has been operating since 1963. In 2008, San Miguel Corporation bought into the bank and became a majority stakeholder through the combined voting stake of San Miguel Corporation Retirement Fund, San Miguel Properties, Inc., and SMC Equivest in the bank. Its Investment Banking Group was established in the first quarter of 2022 following the approval by the BSP in December 2021 of the

upgrade of BankCom's banking license from commercial bank to universal bank, thus allowing it to engage in investment banking activities. In August 2022, BankCom received its SEC license to underwrite securities. The Investment Banking Group underwrites, issue manages, and arranges publicly listed and privately placed securities/instruments.

China Bank Capital is the wholly owned investment banking subsidiary of China Banking Corporation. It was registered and licensed as an investment house in 2015 as a result of the spin-off of China Banking Corporation's Investment Banking Group. The firm offers a full suite of investment banking solutions that enable clients to achieve their fundraising objectives and strategic goals. The company's services include arranging, managing, and underwriting debt and equity transactions, such as bond offerings, corporate notes issuances, initial public offerings and follow-on offerings of common and preferred shares, private placement of securities, structured loans, project finance, real estate investment trusts, and asset securitizations. China Bank Capital also provides financial advisory services, such as deal structuring, valuation, and execution of mergers, acquisitions, divestitures, joint ventures, and other corporate transactions. As of December 31, 2022, it has total assets of ₱3.09 billion and a capital base of ₱3.00 billion.

PCCI Capital was incorporated on September 23, 1975 and is considered as one of the oldest investment banks in the country. PCCI Capital has established a solid track record and expertise in the Philippine capital markets and consequently obtained a license to operate as a trust entity, investment house and securities dealer.

PNB Capital, a wholly-owned subsidiary of the Philippine National Bank, offers a spectrum of investment banking services including loan syndications and project finance, bond offerings, private placements, public offering of shares, securitization, financial advisory and mergers and acquisitions. It was incorporated on July 30, 1997 and commenced operations on October 8, 1997. PNB Capital is licensed by the Philippine SEC to operate as an investment house with a non-quasi-banking license. As of December 31, 2021, it had an authorized capital of ₱2.0 billion and paid-up capital of ₱1.5 billion. PNB Capital is authorized to buy and sell, for its own account, securities issued by private corporations and the Philippine Government. As of December 31, 2021, total assets of PNB Capital were at ₱2.7 billion while total capital was at ₱2.4 billion.

SB Capital is a Philippine corporation organized in October 1995 as a wholly-owned subsidiary of Security Bank Corporation. It obtained its license to operate as an investment house in 1996 and is licensed by the SEC to engage in underwriting and distribution of securities to the public. SB Capital provides a wide range of investment banking services including financial advisory, underwriting of equity and debt securities, project finance, privatizations, mergers and acquisitions, loan syndications and corporate advisory services. SB Capital is also involved in equity trading through its wholly-owned stock brokerage subsidiary, SB Equities, Inc. Its senior executives have extensive experience in the capital markets and were involved in a lead role in a substantial number of major equity and debt issues, both locally and internationally. As of December 31, 2022, its total assets amounted to ₱1.63 billion and its capital base amounted to ₱1.60 billion.

Sale and Distribution

The distribution and sale of the Series 4 Preferred Shares shall be undertaken by the Joint Lead Underwriters and Joint Bookrunners who shall sell and distribute the Series 4 Preferred Shares to third party buyers/investors. The Joint Lead Underwriters and Joint Bookrunners are authorized to organize a syndicate of other underwriters, soliciting dealers and/or selling agents for the purpose of the Offer.

Of the [12,500,000] Series 4 Preferred Shares to be offered, [80%] or [10,000,000] Series 4 Preferred Shares are being offered through the Joint Lead Underwriters and Joint Bookrunners for subscription and sale to Qualified Institutional Buyers and the general public. The Company plans to make available [20%] or [2,500,000] Series 4 Preferred Shares for distribution to the respective clients of the [125] Trading Participants of the PSE, acting as Selling Agents. Each Trading Participant shall be allocated [20,000] Series 4 Preferred Shares (the "**Allocation per TP**") (computed by dividing the Series 4 Preferred Shares allocated to the Trading Participants by [125]). Trading Participants may undertake to purchase more than their allocation of [20,000] shares. Any requests for shares in excess of [20,000] may be satisfied via the

reallocation of any Series 4 Preferred Shares not taken up by other Trading Participants.

Local Small Investors

There will be no allocation to Local Small Investors under the proposed offering.

Allocation Process

Mechanics of Distribution

1. Upon preparation of the Firm Undertaking report, the Sole Issue Manager, with oversight from representative(s) of the Joint Lead Underwriters and Joint Bookrunners and under the supervision of a representative from the PSE Listings Department, shall input the number of Offer Shares requested by each Participating TP in a spreadsheet designed for the reservation and allocation of the Offer Shares.
2. The spreadsheet shall distribute the total number of Offer Shares to be allocated to each Participating TP in accordance with the following process:
 - a) If the total number of Offer Shares requested by a Participating TP, based on its Firm Undertaking, does not exceed the allocation per TP, the Sole Issue Manager shall fully satisfy the request of such Participating TP. Each TP is assured of not less than the Allocation per TP. The balance, if any, shall be re-distributed among those who have signified a commitment to purchase more than the Allocation per TP in their Firm Undertaking until all the Offer Shares allotted for distribution are fully allocated.
 - b) If the total number of Offer Shares requested by a Participating TP exceeds the allocation per TP, Additional Shares may be sourced from the Offer Shares not taken up by the other TPs. The Sole Issue Manager, under the observation of a representative of the PSE Listings Department, shall allocate the Offer Shares to Participating TPs by: (i) fully satisfying the orders of those TPs who have Firm Orders that are less than or equal to the allocation per TP; and (ii) distributing equitably the remaining TP Allocation to other TPs with orders for Additional Shares, but only up to their respective Firm Order.
 - c) The allocation will be done based on the total number of shares, regardless of the series.
 - d) In no case shall any Participating TP be awarded more than the shares indicated in its Firm Undertaking.
 - e) If the aggregate number of Offer Shares requested by all Participating TPs is less than the TP Allocation, the balance shall be returned to the Joint Lead Underwriters and Joint Bookrunners.
3. Unless otherwise determined by the Issuer, the final TP allocation shall be distributed among Series 4A, Series 4B, and Series 4C in the same proportion as each Series bears to the TP's aggregate Firm Undertaking, rounded to the prescribed board lot requirement as described in paragraph 10 below.
4. All deadlines indicated in these procedures shall be strictly followed.

Term of Appointment

The engagement of the Joint Lead Underwriters and Joint Bookrunners shall subsist so long as the SEC Permit to Sell remains valid, unless otherwise terminated pursuant to the Underwriting Agreement.

Manner of Distribution

The Joint Lead Underwriters and Joint Bookrunners shall, at its discretion, determine the manner by which proposals for subscriptions to, and issuances of, the Series 4 Preferred Shares shall be solicited, with the sale of the Series 4 Preferred Shares to be effected only through the Joint Lead Underwriters and Joint Bookrunners.

No shares are designated to be sold to specific persons.

Offer Period

4. When applicable, proof that shareholding in respect of which dividends are paid is not effectively connected with a permanent establishment of the foreign enterprise in the Philippines.

Depending on the circumstances of the applicant, additional/special requirements may be requested in accordance with existing rules and regulations issued by the Bureau of Internal Revenue (“BIR”).

In case, the non-resident corporate taxpayer wishes to, instead, avail of the benefits of the tax sparing under the NIRC, it will have to submit the following documents:

1. Original copy of apostilled/duly authenticated Tax Residence Certificate issued by the tax authority of the country of domicile.

The Joint Lead Underwriters and Joint Bookrunners shall be responsible for accepting or rejecting any Application or scaling down the amount of Series 4 Preferred Shares applied for. The Application, once accepted, shall constitute the duly executed purchase agreement covering the amount of Series 4 Preferred Shares so accepted and shall be valid and binding on the Company and the Applicant.
