

PETRON FOUNDATION, INC. (PFI) is the corporate social responsibility (CSR) arm of Petron Corporation. It was incorporated as a corporate foundation in July 1996 with SEC Registration No. A199603040. PFI is accredited by the Philippine Council for NGO Certification (PCNC) as a done institution for five (5) years or until September 27, 2027.

We are also registered as an Auxiliary Social Welfare and Development Agency by the DSWD and licensed to operate as a DSWD Social Work Agency (Registration No. DSWD-SB-L-0048-2023 until August 1, 2026) covering its CSR operations in Regions 1-12, CAR, CARAGA to the Philippines' social concerns through the responsive delivery of, and NCR.

Through PFI, Petron Corporation brings corporate social responsibility into the mainstream of its operations by integrating social and environmental agendas into its business goals. This enables Petron to provide systems-wide and sustainable approaches relevant and effective programs and services, active employee engagement, strategic partnerships, accountability and organization effectiveness, and intensified communications and advocacy initiatives.

All these allow Petron to secure a better future for the nation by fueling hope among Filipinos with the effective and sustained implementation of strategic CSR programs.
